

Achieving academic excellence is at the heart of the every educator at KLE. Established in 2005, KLE School, Dharwad is a place where the seeds of all-round development of the children are sown at an early age and aims to achieve the holistic development of the students through an excellent academic and physical environment that is conducive to learning, developing creativity, and exploration. It also creates healthy, strong, disciplined, bold, and competent global citizens who will work for the betterment of the Nation. The school is located in a very peaceful and spacious land of 14 acres. The school was affiliated and recognized by CBSE in the year 2015 with the affiliation number 830620.

This Pandemic has made us to enter into the Virtual world. Online classes have helped the teachers and students to come closer though they don't come to school physically. The current situation has helped the teachers to enhance their skills technically and digitally. Though teachers strived to cope up with the online classes in the beginning is now like a piece of cake.

The total strength of the school from Nursery to grade X is 857. Our Principal Ms. Shubhangi More leads the team with great spirit, skill and enthusiasm. The school collectively has an enthusiastic and dedicated team of 33 regular teachers and 2 part time teachers in the Secondary, the Primary and the Pre-Primary sections. In addition, we have 2 Non-Teaching and 22 Support staff. Their coordination with each other is what enables the school to function smoothly and grow with new perspectives.

Competitions and academic activities that go beyond the text books and the classrooms encourage and foster a healthy and competitive spirit and effective communication skills and personality development in the students. Our students participated in the regional level competition Tales of Indian History conducted by Rotary club Dharwad Central and bagged first three places and first place in Kalamaruya – Dance competition and third place in singing competition. They have also participated in National level Art Fest -2020

The plethora of activities are conducted virtually by the Cultural Department according to the School Calendar to showcase the hidden talents and upgrade their skills.

The urgent need to take care of our health during the Covid situation made us to conduct several fitness competition, activities and webinars. Virtual Walkathon -2020 was conducted for students and teachers to keep their body fit. Webinar on Food and Nutrition helped the students to keep an eye on their diet and helped them to be keen about increasing immunity. Activities like preparation of Immunity booster drink, healthy thali, washing hands regularly and many more made them aware of the importance of healthy diet and practices.

Various CBSE and in-house webinars and orientation programmes were conducted on various topics like Inspiring Resilience, Mindfulness, Gender construct, Stress Management, Innovative pedagogy in English, blooms taxonomy and many more for teachers and with a dual focus to improve and effectively implement innovative ideas in teaching-learning practices as well as to take the students beyond their current level of learning.

Regular Virtual PTM mirrors the child's performance. The Principal and teachers spoke personally to the parents in the meeting conducted and discussed about their child's performance and areas to be improved. All the parents in the Virtual PTM expressed their gratitude for the struggle of entire staff for continuing the education even in the tough times.

Grade X students have excelled in board exam this year too making us proud. The total number of students who appeared for CBSE Board Exam was 41 of which 15 passed with distinction. The school has gained cent percent results and has continued the legacy since 7 years.

Principal Ms. Shubhangi More has the desire to create a dynamic environment to bring out the best of every student in a holistic manner. Keeping this in view she has published research paper “ Difference in self, Emotional Intelligence and Academic Achievement of CBSE School Students on Demographic Variables” in an International journal of Arts and Social Science in May-June 2020 edition.

Aspiration, motivation, dedication and dare to dream always bears fruits and we strive to achieve the same so that our children are empowered to become confident leaders of this great county. As the proverb goes “A tree is known by it’s fruits”.
